

Tis the Season for staying vigilant. There has been an uptick in fraud attempts throughout the metro.

Fraudsters can manipulate caller id to appear to be from a legitimate phone number.

Remember, City State Bank will NEVER ask for your account number, PIN, or password during a phone call. We will NEVER ask for a one-time login code or online banking login information.

NEVER share confidential information. If you receive a call asking for any of this, please contact us directly.
